### **CENTECH MOVES INTO EXPANDED WORKSPACE IN FALLS CHURCH, VIRGINIA**

FALLS CHURCH, VA, March 2, 2009 – In line with their strategic vision of continued growth and expansion through 2011, THE CENTECH GROUP, Inc. (CENTECH) has recently relocated their corporate headquarters from Arlington, Virginia to larger offices located in Falls Church, Virginia. CENTECH's new address is 6402 Arlington Boulevard, 10<sup>th</sup> Floor, Falls Church, Virginia 22042.

“As we continue to expand and move toward our corporate goals of employee and contract growth through 2011, we have moved to larger offices in Falls Church, Virginia that will not only accommodate more employee work space, but will also allow us the space to provide for expanded services including a secure lab facility.” said CENTECH President, Fernando V. Galaviz. “Our new location will provide us with the space we need to meet our company's and our clients' growing needs.”

Started in April of 1988, CENTECH was established after acquiring one federal logistics/services support contract and one training contract from a small 8(a) company. Out of their original offices located on Courthouse Road in Arlington, Virginia, Mr. Galaviz and one corporate employee managed 48 team members (employees) in the field.

Success didn't come easily and through the first two years of operation CENTECH faced considerable challenges including an initial 8(a) classification rejection by the Small Business Administration. Believing in the company and the basic principles and focusing on saving the “client” money, taking care of the team members in the field
