CENTECH TOPS HISPANIC BUSINESSES IN VIRGINIA AND ACROSS THE UNITED STATES

FALLS CHURCH, VA, July 7, 2009 – THE CENTECH GROUP, Inc.

(CENTECH) is the top Hispanic-owned business in the state of Virginia for 2009 and is ranked 37th in the U.S. according to *Hispanic Business* magazine's top 500 list for the year.

CENTECH moved up from 45th position in 2008 on this, the 27th annual list compiled by the magazine. The annual list is viewed as an indicator of the health of Hispanic businesses because it takes a number of factors, including company revenue, number of employees and previous rankings into consideration.

THE CENTECH GROUP, Inc. is a proven, successful program management firm specializing in information technology services for the federal government. Operating under the principles of Trust, Quality, Service and Value, CENTECH is ISO 9001:2000 certified and CMMI Maturity Level 3 appraised and our management approach has earned CENTECH a highly successful reputation and leadership position in program management and information technology services. The organization's technical capabilities include business operations support, engineering services, computer data center operations, help desk systems and services, training/knowledge transfer systems and services, logistics support systems and services, network and infrastructure services, program and acquisition management support services, security systems and services, software development and maintenance, systems engineering/technical assistance, test and evaluation services and Web solutions and services.
