### **SPAWAR CONTRACT AWARD FOR CAMP LEMONNIER DJIBOUTI SWITCH REPLACEMENT GOES TO CENTECH**

Falls Church, Virginia, January 6, 2011 –The Space and Naval Warfare Systems Command (SPAWAR) Atlantic has awarded THE CENTECH GROUP, Inc. (CENTECH) and their teaming partner Mutual Telecom Services Inc.(MTS)/Black Box Corporation (Black Box) a \$2 million, multiyear task order contract for telephony services at Camp Lemonnier, Djibouti City, Djibouti, Africa.

The purpose of this task order is to issue requirements for comprehensive contractor support to engineer, furnish, install, test and commission (EFIT&C) the replacement of the end office telephone system(s) currently providing service at Camp Lemonnier Djibouti, Africa with a hybrid time division multiplexing (TDM)/ voice over Internet Protocol (VoIP) solution. The replacement telephony system will have all required U.S. Department of Defense (DoD) and U.S. Navy approvals and will provide both routine and Command/Control(C2) Defense Switch Network (DSN) telephone service for the base users. The system will be a variant(s) that will be supportable within the existing U.S. Navy construct for operation and maintenance (O&M). Services to be provided by this system shall include voice messaging (voicemail) and the capability for full end user billing.

THE CENTECH GROUP, Inc. is a performance-based service contractor with program management expertise that specializes in systems and service solutions for federal, military and civilian programs. Since 1988, CENTECH has been a proven, successful provider of systems and solutions on over 4200 federal government contracts/ task orders and 150 mission critical software development projects.
