CENTECH NAMED AS ONE OF THE TOP HISPANIC AMERICAN OWNED BUSINESSES FOR 2014

Falls Church, Virginia, July 23, 2014 – For the 14th consecutive year, DiversityBusiness.com has announced the Top 500 Hispanic American Owned Businesses in the U.S. – 2014 and for the 10th consecutive year, THE CENTECH GROUP, Inc. (CENTECH) has earned a place on the list. This year, CENTECH took the #52 position on the list which according to DiversityBusiness.com represents a growing class of innovators and visionaries that continue to go beyond expectations in producing products and services that transform the way we live.

The "Top Businesses in America" program was established in 1999 by as part of its ongoing commitment to remain at forefront in championing the entrepreneurial spirit. The "Top Businesses in America" program recognizes and honors individuals who have established themselves as a world class community of entrepreneurs that continue to transform the way we live and advance our economy forward. The program is also designed to celebrate and support their efforts in order to generate public awareness among their peers, customers, press and to organizations who seek their products and services.

Over 1.3 million businesses participated in the annual survey to determine all of the category lists. The "Top Businesses" are determined by a selection committee which evaluates the eligibility for all submissions in each award categories. Some of the categories for nomination include "Top 500 Privately-Held businesses in the U.S.", "Top

500 Women Owned businesses in the U.S.", "Top 500 Diversity Owned businesses in the U.S." and "Top 500 Emerging businesses in the U.S." The selection committee based their decision on a set of criteria which includes: reviewing each entrant's business profile, website and gross annual sales submitted.

In a statement by DiversityBusiness.com President Kenton Clarke, he states that the goal each year of the "Top Businesses in America" program is to continue to celebrate another year of innovation, progression and growth and to raise the profile of entrepreneurs who remain committed in strengthening our competitive global landscape and rebuilding our future. No matter what circumstances, these men and women continue to build successful business relationships. They also continue to create an atmosphere of pride, camaraderie and confidence among their family, customers, suppliers and communities they serve.
